Garmin DriveSmart 50LMT-D is an advanced 5-inch pinch-zoom zoom navigation system that combines driver alerts for upcoming sharp turns, fatigue alerts, and Bluetooth-controlled radar controls and intelligent alerts for safe driving.. It is also possible that these people were the megalithic cultures that built large bautastines like the famous standing stones of Stonehenge.. The Garmin Drive 51LMT-S 5-inch GPS offers useful driver alerts and features like live traffic and real-time parking information for a stress-free journey from start to finish.. It also a little slow when I drive too fast, and the speed it shows shows I drive about 4 km slower than my speedometer, and it does not tell me I too fast until I over 9 km, which means I would be stopped.
